## HCJH Athletics Philosophy Statement

The main purpose of the HCJH Athletic Department is to help develop the physical, emotional, spiritual, and scholastic advancement of students, as well as, to allow those who are experienced or gifted in the different sports to excel. Participating on an athletic team is a privilege for those outstanding students who are interested and have the ability and right attitude. Membership must be earned by the student through the maintenance of acceptable scholastic grades as well as good conduct in class and on the playing field.

Athletics is much more than just competition . . .

- In athletics you will be exposed to fair play, sportsmanship, and seeing the benefits of teamwork.
- You will experience first hand what it means to be a “Christian athlete” and that you can honor God while winning or losing.
- You will learn that quitting means failure.
- You will learn that it is hard, continuous work that brings success.
- You will also learn that acceptance of responsibilities and making personal sacrifices will make winners.

The Heights Christian Junior High Athletic Department has the philosophy that each student should have an equal opportunity to become a team member. Trying out for a team is a positive, learning experience that allows each person to simply do their best. Those who make the team are not "better" than those who do not make the team; they are just perhaps a little more experienced or gifted in that particular sport.

Our school was founded to honor God, and this is the main priority! As a member of a HCJH team, you must realize this priority and help to make it happen. In order to honor God, a player must live clean and play hard. We win without boasting and lose without excuses, and we never quit.
