

**Course Description****Subject:** Odyssey of the Mind**Grade:** 7 & 8

**Overview:** Odyssey is a competitive problems solving international organization. Students work in teams to solve a long term problem which usually involves engineering and producing a skit.

**Primary Biblical Integration:** Odyssey of the Mind recognizes that each of us is uniquely gifted; by using our individual gifts together with others, we are able to produce something that is more than just the sum of the parts. We are one body in Christ.

**Student Materials:**

Various depending upon the assigned problem.

**Teacher Materials:**

Odyssey website and books.
