

**Course Description****Subject: Statuary Painting****Grade: 7 & 8**

**Overview:** This elective class begins with a blank statue that student chooses. They then choose the colors they desire to create their master piece. We discuss the use of the acrylic paints and different types of brushes..

**Primary Biblical Integration:** Any type of art class in general helps us to more clearly see and respond to God's goodness and forgiveness. This class especially helps them see that if they make a mistake they can always start over, just like in our relationship with Christ.

**Student Materials:**

Newspaper and paper towels; students are provided with statuary pieces/figurines, paints and brushes.
