
Course Description**Subject: Study Skills****Grade: 7**

Overview: Study Skills is a special topic class that meets on Monday, Wednesday and Friday afternoons during 6th period. The focus is on introducing students to an array of study methods as well as working on the skills they are weak in. Emphasis is on strengthening study skills and how to get better grades by applying the methods taught. This class is designed for all different learning types and how to adapt a study method that works best for that learning style.

Primary Biblical Integration:

"Work hard so God can approve you. Be a good worker, one who does not need to be ashamed and who correctly explains the word of truth." 2 Timothy 2:15

"And you must love the Lord your God with all your heart, all your soul, with all your **mind**, and all your strength." Mark 12:30

Unit Description:

- 1) Organization: organization is key to success in school. Students will be expected to keep binder, locker, and student planner neat and tidy as well as organized.
- 2) Test Taking Strategies: tests can be a big anxiety for many students. Students will learn techniques of how to take tests with ease.
- 3) Study Smart: studying is a big part of the school process. Students will be taught as well as practicing the study methods they are given.
