

HEIGHTS CHRISTIAN JUNIOR HIGH SCHOOL "MISSION STATEMENT"

"Our mission is to educate students to know Christ personally, excel academically, think biblically, and impact their community positively for Christ."

"SOAR" PROGRAM: (Seeking Opportunities, Achieving Results)

Without a doubt, one of the most exciting things we will do at the Heights this year is our "SOAR" program! After each quarter we will have academic pep rallies to honor the academic achievements of our students. Each student who achieves certain levels of success will be given rewards for their efforts. Every student at Heights has the ability to achieve one of the following four levels of success. Please look at the following categories and make it a goal to SOAR to success! Each student who makes it to a level will be given a "credit card" which can be used for campus incentives. These incentives might include things such as free homework passes, free "quizzes", free laps in PE, etc. Here are the four cards to work toward:

•The Hawk Card...

GPA of 3.80 or above, no more than one N and no U's, and less than four tardies.

•The Platinum Card...

GPA of 3.40-3.79, no more than one N and no U's, and less than four tardies.

•The Gold Card...

GPA of 3.00-3.39, no more than one N and no U's, and less than four tardies.

•The Silver Card...

No D's or F's, no more than one N and no U's, and less than four tardies.

GETTING A "TALON"...

It is the desire of every Heights staff member to "catch" our students doing what is right. A "Talon" is one way in which we will honor our students' efforts to do what God has desired for us. Acts of kindness, integrity, politeness and honesty are just a few things that we will watch for throughout the year. When a staff member observes a student in the process of these positive acts, he or she will give the student a Talon. This card can be passed on to the office and there will be periodic drawings for rewards. Our goal is to see our students become more and more like Jesus in their actions, and this is one way in which we can encourage them in this very important process.

PROBATION POLICY:

Students at Heights Christian Junior High may be placed on probation for any of the following reasons:

- Academic struggles such as a GPA below 2.20.
- Multiple academic grades or citizenship grades

below standard at Progress Report time.

- Two or more N's or U's on a Report Card.
- Disciplinary problems.
- Administrative decision.

The probation period will be determined by the administration and a letter will be sent home. If improvement is not made during the probationary period, the student may be asked to withdraw from school or be refused permission to re-enroll the following school year.

PROMOTION POLICY:

It is the desire of the HCJH Staff to see every one of our students achieve their best and move on to the next level of education. Being promoted to the next grade is a privilege that is determined by the effort and achievements of our students throughout the school year. Students who drop to unacceptable levels in academic grades will be in jeopardy of not being promoted. Promotion may be in jeopardy for the following reasons:

- Being absent from school for twenty-eight or more days.
- An accumulation of three or more F's on the Report Cards during the school year.

GRADUATION POLICY:

Participating in the Graduation Ceremony at the end of the 8th grade year is an exciting privilege for students! It is our desire that every student take part in this excitement, however, students may be withheld from the ceremony for the following reasons:

- Having multiple negative citizenship grades on a Report Card or Progress Report and not making a sufficient effort to improve in this area.
- Disciplinary problems in the final weeks or days of school.
- Outstanding, unresolved balances on financial accounts.

GENERAL SCHOOL EXPECTATIONS:

- 1) **Honor God with your words.** Let the words that you speak be pleasing and uplifting to those around you. Do not "tear down" others with your speech. Honesty and integrity are qualities for which to strive!
- 2) **Be respectful to the feelings and rights of others on campus.** Be courteous in class and follow each teacher's individual class guidelines so that every student present is allowed to benefit from the teaching. Apply this same standard out on the grounds as well.
- 3) **Follow all adult instructions immediately and without comment.** Your words as well as your body language should be respectful at all times. Always address an adult as "Mr." or "Mrs." or "Miss." A simple "please" and "thank

you” should be used when responding to an adult.

- 4) **No horseplay.** Often times it is horseplay that leads to injury or anger. HCJH is a place of school business and it is our desire to provide the best atmosphere to make this attainable for every student. All students must keep their hands and feet to themselves.
- 5) **Always remain in assigned HCJH designated areas.** It is imperative that every student be in the proper place of supervision and never out of “eye shot” from campus staff.
- 6) **HCJH has adopted a lack of tolerance policy on bullying and/or cyberbullying.** Bullying includes any written or verbal expression, or physical act or gesture, or pattern thereof, intended to cause distress upon one or more students in the school, on school grounds, in school vehicles, or at a designated school bus stop, or at school activities or sanctioned events. Cyberbullying occurs when a child uses new technology such as the internet, cell phone, or social networking to harass, hurt, embarrass, threaten or bully others. A student violation of this policy may result in suspension, reporting to authorities, and/or expulsion, as required by law, or at the discretion of the school.

We expect each of our students to behave in a positive way so that all students and staff will have a very positive experience at school. If students are not in control of their behavior and/or their academic responsibilities, they may have to be taken out of extra-curricular activities or campus “fun” days. Privileges are for the responsible and cooperative students.

SPECIFIC SCHOOL EXPECTATIONS:

Before and After School...

- When you arrive on campus, please come directly to the inner campus area. Do not wait by the street or front parking lot for your friends.
- When you are waiting at designated Bus Pick Up or Drop Off areas, be calm and cooperative with the staff person on duty. If you are late getting to the Bus Pick Up your parent or driver will have to drive you to the school campus. **ONCE THE BUS STARTS MOVING IT WILL NOT STOP!**
- Stay in designated supervised areas.
- When school is over, please walk in an orderly manner to designated pick up areas or get ready for an after school activity if you are involved.
- If you are not picked up by the designated time, move in a cooperative manner to the daycare area to be checked in.
- Wait in the designated daycare area until your parent comes to pick you up.
- In order for students to be allowed to walk or ride

their bike home we must have a note on file in the front office. Students that do not have a note on file will not be allowed to leave campus.

The School Office...

- The school office is a place of business and we ask that our students be quiet and courteous when inside or in the vicinity of doors or windows.
- If there are a number of students who have office business, please line up outside the office so that there are no more than two students inside at a time.

The Classroom...

- Enter the room quietly and go directly to your assigned seat. Do not approach the teacher’s desk.
- Immediately fill out your Assignment Organizer for the day in that particular subject.
- Conduct yourself in a quiet manner and respond to the teacher by raising your hand.
- Any items that are deemed as a “toy” by the teacher (because a student is playing with it in class) will be taken and given to the Principal. These items will be given back at the end of the school year (or to a parent in the Office).
- Exit the classroom quietly and orderly at the end of the period. Only leave your seat when the teacher has dismissed you.

“Hands-Off Policy”...

- At Heights Christian Junior High we have adopted a “Hands-Off Policy”. We want our students to treat each other with respect and dignity.
- Students are to move about the campus and socialize with each other without inappropriate touching. This would include “horseplay” as well as affectionate actions such as hugging and holding hands.

The Restrooms...

- Please help us keep the restrooms clean and neat. Restrooms are to be used only for their intended purpose.
- No loitering or horseplay allowed.

The Hallways...

- Please walk in the hallways and do your best to make room for others.
- Never yell or make loud noises. Remember, we have other organizations with us on campus and we need to respect their needs.
- If you are waiting for a teacher before entering a class, please line up against the wall so that others may pass.

The Book Lockers...(7th and 8th)

- Keep your valuables in the locker at all times. Books and materials are not to be left on the ground or on top of the locker. Books that are left out will be placed in the lost and found and an afternoon detention will be assigned.
- Clean out your locker often and **do not share your combination with others.**
- No stickers, writing or inappropriate pictures are allowed on the outside or the inside of the locker.
- Because the lockers are on the outside of the building, it is advisable that you take your valuables home each night.

Lunchtime...

- All belongings must be stored away before going to lunch line or to the picnic tables.
- All eating is to be done on the picnic tables. Please keep your area clean and throw away all of your trash. Be willing to help pick things up when asked by a lunch duty teacher.
- Remain in designated activity areas. Be ready with your Student ID Card to check out any athletic equipment you might want.

Textbooks...

- When you are given a textbook, make sure your name is written neatly inside the book on the nameplate.
- The book should be immediately covered and kept covered the entire time you use it.
- If a book is lost or damaged, there will be a charge to cover the cost. A lost book (or excessively damaged book) will cost the student the full value of a BRAND NEW book.

Book Covers...

All issued textbooks need to be adequately covered at all times. Covers should have no words or pictures on them (other than the student's name and the class name).

Binders...

In order to keep materials neat and appropriate at school, we ask our students to make sure that binder decorations are of good taste. A good rule of thumb would be that "if you wouldn't be allowed to wear it on your shirt, you shouldn't have it on your binder."

Lost and Found...

- The Lost and Found Cart will be available during the school day. Please check the cart often to see if your items are there.
- Unmarked and unclaimed clothing will be given to charitable organizations at announced times during the school year.

Tardiness...

Punctuality is a very important quality for our students to learn! Since our students cannot actually drive themselves to school, we make some allowances to help our families (as listed below). It is our desire for the school day to begin punctually and that the education process continue with little disturbance.

- Students are considered tardy if they are not in their seats when the bell begins to ring.
- If a student is tardy to school, he should report to the attendance secretary.
- An afternoon detention is given for each unexcused tardy to class.
- Six "excused" tardies to Period 1 are allowed to each student during the school year. After the sixth Period 1 tardy (excused or unexcused), all tardies will be considered unexcused. In order for a tardy to be excused, there must be a note or verbal verification from the parent or driver. This needs to be done on the day of the tardy.
- Repeat unexcused tardiness may result in a financial penalty and or a truancy report.

Student Organizer...

The student organizer is an important tool in helping students to be academically successful at HCJH. Consistent daily use helps students become independent achievers. Using the organizer encourages prioritizing, decision-making, planning and goal setting. These are all characteristics that we want to foster in our students. Students are trained in the use of the organizer, and it is our hope that parents will monitor its use at home to ensure accountability. Here are some of the basics:

- Teachers post daily assignments before class begins.
- All assignments are numbered with a due date.
- All assignments for the quarter are posted and readily available to students in the classrooms.
- Late/Missing assignment notices are sent home regularly.
- Organizers are checked and graded periodically for neatness and accuracy.
- The organizer can be used as a form of communication between the teacher and parent.
- Please keep the student organizer neat and orderly. **Students are not to draw on or deface it (inside or outside). Pages should never be torn out of the organizer.** If a student chooses not to follow this guideline, he/she may be required to purchase a new organizer (and detentions may be assigned).

CHAPEL:

One of the most exciting opportunities we have is to learn more about Jesus on a weekly basis in Chapel! It is the desire of the Heights staff that

each and every one of our students knows Jesus Christ as their personal Savior. We want to create the proper atmosphere so that our Chapel time is conducive to worship. Therefore, there are obvious expectations that would show respect for the occasion. Please follow these guidelines as you experience Chapel:

- Come to Chapel quietly.
- Come to Chapel with an attitude of respect. No yelling or horseplay, and certainly no “booming” or “whistling.”
- There will be appropriate times to clap and show appreciation. Please do so!
- Bring your Bibles to Chapel. It is great to get into practice at using God’s Word!
- When you exit Chapel, please do it quietly and in an orderly manner.

DISCIPLINE:

In any school or organization it is necessary to have standards to follow and consequences for not following those standards. **We understand that not everyone will “agree” with every rule, but we expect every student to show a willingness to comply.** Our desire is to prepare our students for the future, and this is one of the most important lessons that we can teach them. If a student’s behavior is in conflict with the standards and expectations of Heights Christian Junior High, every effort will be made to encourage the student to make a change. The following are examples of how HCJH may deal with the discipline needs of our students:

- Each teacher or staff member has been placed in charge of a classroom or specific area of the campus. Disciplinary action will be carried out firmly and fairly by verbal instruction or warnings or possibly privileges being taken away.
- If negative behavior continues after the staff member has dealt with a student, the staff member may make contact with the parents in order to inform them of the problem. A plan of action will be communicated to the parents and our hope is that the parents will help in the process.
- A student may be referred to an administrator for behavioral reasons. The administrator will counsel the student and/or administer appropriate consequences. If a student’s behavior is not improved after this contact, a stricter disciplinary action may be implemented. This action could include: restriction from extra-curricular activities, placement in after-school detention, suspension from school and possibly expulsion.
- When a student demonstrates an unwillingness to change behavior, is negative in attitude, demonstrates rebellion or seems un-teachable, the administrator may contact the parents for a conference. The administrator may discuss

alternative actions for the student such as:

- Referral for special services or counseling.
- Extended suspension (or in-house suspension).
- Expulsion from school.

INAPPROPRIATE USE OF DIGITAL DEVICES:

In keeping with the school’s responsibility to provide a safe learning environment for all students, the board has established the following policy regarding the issue of “sexting.” *Sexting* is the act of sending, receiving or forwarding sexually explicit or suggestive messages, photos, or images via cell phone, computer or other digital device. Students engaged in such activities are subject to state laws and school discipline. The school considers sending, sharing, possessing, or even viewing pictures, text messages, or e-mails that contain a sexual message or image a violation of this policy, a violation that will result in school discipline, up to and including expulsion, and in the notification of local law enforcement. Students are required to immediately report any such activities to a teacher or a school administrator.

Causes for Suspension or Expulsion from school...

It is hopeful that suspension or expulsion would be “last resorts” in dealing with a student. There are, however, behaviors that would constitute a possible need for this type of action:

- Harassing, bullying and/or demoralizing other students (either verbally or physically).
- Defacing or damaging school property. The family will be responsible for any costs incurred from the student’s actions.
- Willful disobedience toward any Heights staff member including acts of insubordination.
- Habitual profanity or vulgarity.
- Possession, use or sale of illegal drugs, alcohol, tobacco or other illegal items. This could also include the inappropriate use of “legal, over-the-counter drugs.”
- Possession of cigarette lighters, matches, knives, guns or other types of weapons.
- Inappropriate sexual contact or behavior.
- Inappropriate use of text messaging or any social networking site including MySpace, Facebook, Twitter, etc.
- An accumulation of eighteen or more afternoon detentions.

Students are responsible for their own behavior, 24-7, 365 days a year. The school reserves the right to discipline students for off-campus actions if these activities adversely affect the safety and well-being of a student while in school.

DISCIPLINARY “DETENTION” PROCESS:

Heights Christian Junior High will administer two types of detentions as needed with students; “Afternoon Detentions” and “After School Detentions.”

Afternoon Detentions...

These detentions will be assigned to students for misconduct such as tardiness, horseplay, chewing gum, writing notes, etc. The administrator will determine the consequences of negative behavior and assign these detentions.

After School Detentions...

These hour-long detentions could be assigned to students for any of the following reasons:

- An accumulation of six afternoon detentions in a semester. *Note: All students who stay under six afternoon detentions in the first two quarters will have their detentions cleared. A clean slate will start in quarter three.
- Assignment by the administrator after a disciplinary offense.
- When an after school detention is assigned, the parents will be notified in advance by an official email notification. Here are the basics of how the after school detention works:
 - Length: One hour after school.
 - Activity: Work-related projects designed to enhance the school.

We ask that our school parents be supportive in this process by making sure that arrangements are made so that the student is able to serve the after school detention on the assigned day. If the student is absent from school on the day of the detention, he will automatically be assigned to the next one. If a student misbehaves in the detention he will be assigned another one.

HOMEWORK ASSIGNMENT POLICIES:

In order to help our students maintain their obligations and responsibilities dealing with their schoolwork, we have established the following standards concerning homework. Please read these carefully.

Excused Late Work Due To Absences...

- Any student who misses a day of school will be given one extra day to turn in all work assigned on the day of absence. For example... if a student misses school on Monday, he will need to turn in the missed assignments on Wednesday.
- Any student who misses two days of school will be given two extra days to turn in all work assigned on the days of absence. For example... if a student is absent on Monday and Tuesday, he will need to turn in the missed assignments on Friday.
- If a student misses three or more days of school

in a row, he will be given one week to make up the missing work. For example... if a student is absent Monday, Tuesday and Wednesday, he will need to turn in the missed assignments on Thursday (one week after he returns).

- If a student fails to turn in the work as stipulated above, it would fall into the “unexcused” policy as stated below.

- Long Term projects or assignments must be turned in on the assigned due date (even if there was absences during the assignment). If the student is absent on the due date, he must turn in the assignment on the first day back to school.

Unexcused Late Work...

- No assignment turned in late can achieve a grade any higher than a C. All late assignments must be turned in to the teacher within one week of the end of the quarter in order to receive any credit. Remember, a “C”, “D” or even “F” is better than a “zero” in the grade book!
- Any student who is missing an excessive amount of homework would have a difficult time achieving a Report Grade any higher than a C.

Missing for a “School-Related” Activity...

- WORK ASSIGNED THAT DAY:** If a student misses a class (or classes) due to participation in some kind of school-related activity, he/she will be given an extra day to make up a daily assignment without penalty. Long term projects or assignments should still be turned in on time.

- WORK DUE THAT DAY:** Students who are present for any part of a school day are required to turn in their work BEFORE leaving campus. Assignments can be given to the individual teacher or dropped off in the office to be distributed. For example, if a student on a sports team is going to miss a class in order to leave early for a game, he/she should turn in the assignment due that day to the office before leaving early.

PARENTSWEB:

Parents and students may log into the school's ParentsWeb to view announcements, homework, grades, attendance, behavior, and the calendar. Go to the school's website at www.HCJH.us and select ParentsWeb on the home page. Log into ParentsWeb using the parent's email address on file and the password provided. Call the school office at 562-947-3309 for assistance.

STUDY HALLS:

Study Halls are available for students in order to give them a “jump” on their work for the day. An atmosphere is provided which will allow the student to study, do homework or quietly read. The following materials should be brought with the

student to every Study Hall:

- The student's binder.
- A minimum of one academic textbook.
- A reading book (to be read in case of not having homework).
- The student organizer.

DRESS CODE – 2011/2012:

Dress standards reflect the quality of the school as well as the conduct and attitudes of the students. There are definite relationships between dress habits, work habits and school behavior.
